INVITATION LETTER

To,
Dr.Buke M.V.
Sandipani Technical Campus
Kolpa, Latur

Subject : Invitation for seminar on "Intellectual Property Right"

Respected sir,

With reference to above mentioned subject, it gives immense pleasure to invite you for a seminar on "Intellectual Property Right" for our faculty on 16/03/2018. As you are the expert in said domain, this will enrich the knowledge of our faculty for further career enhancement of them as well as it is beneficial for their research work.

An objective of conducting a seminar to provide information and knowledge to our faculty regarding patent and marking file and also to over the creation of their minds. So you are therefore requested to kindly accept the invitation for giving expert lecture on above mentioned subject.

Thanking you in anticipation.

Respected sir,

The staff of our VDF school of Engg. &Tech. thoroughly enjoyed your seminar on "Research Methodology". Your seminar was so engaging that all faculty lost all track time. Faculties gained the knowledge about said domain which will be beneficial for further career enhancement of them as well as it is beneficial for their research work.

By any measure you are a very effective speaker and educator .On behalf of VDF school of engineering and Tech.Latur .we thank you for a memorable presentation .

Thanks and Regards,

Subject : Invitation for seminar on "Research Methodology"

Respected sir,

With reference to above mentioned subject, it gives immense pleasure to invite you for a seminar on "Research Methodology" for our faculty on 15/01/2022. As you are the expert in said domain, this will enrich the knowledge of our faculty for further career enhancement of them as well as it is beneficial for their research work.

So you are therefore requested to kindly accept the invitation for giving expert lecture on above mentioned subject.

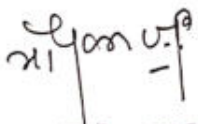

Thanking you in anticipation.

Subject: Invitation for seminar on "Intellectual Property Right"

Respected sir,

With reference to above mentioned subject, it gives immense pleasure to invite you for a seminar on "Intellectual Property Right" for our faculty on 17/07/2022. As you are the expert in said domain, this will enrich the knowledge of our students for further career enhancement of them as well as it is beneficial for their research work.

An objective of conducting a seminar to provide information and knowledge to our students regarding patent and marking file and also to over the creation of their minds. So you are therefore requested to kindly accept the invitation for giving expert lecture on above mentioned subject.

Thanking you in anticipation.

FUTURE IN ELECTRONICS AS AN ENTREPRENEURSHIP

VILASRAO DESHMUKH FOUNDATION GROUP OF INSTITUTIONS SCHOOL OF ENGINEERING & TECHNOLOGY LATUR

We have Arranged A Webinar on
Future in Electrical / Electronics /
ES/EC as Entrepreneur from
Industry Expert, having
30+ years of
Professional Experience Working
with Various MNC's
Engineering Structure
(PAN INDIA) &
Currently He is a Managing
Director of Electronics
Study Center.

Topic :- A webinar on "Future in Electrical/ Electronics as Entrepreneur"

Date: 25th July, 2021

Do you had difficulties to test these?

1) Diode 2) Transistor 3) SCR 4) Relay

Time: 10:00 AM

If your answer is "YES" then surely this webinar is perfect for you.

Topics covered:

Hands on practice on core Electrical and Electronics
Testing of component by DMM- Standard reading of components
Possible faults- with respective reading,
Function, Application, Ratings specifications,

Note:-

Students of Diploma & Degree of Electrical/ Electronics need to attend.

Live stream on facebook and youtube.

Meeting Link :- <https://bit.ly/3rmlfsg> / Meeting ID:- 895 7702 2995 / Passcode:- 555555

Vilasrao Deshmukh Foundation, Pithuli Opp. Marjra Sugar Factory,
Near MIDC, Airport Road, Latur.

Subject: Webinar on "Future in Electronics as an Entrepreneurship", for SE, TE, Electrical & ENTC Engineering students.

Ref.: Verbal discussion with TPO Prof. Anil Biradar regarding webinar on core Electronics for Electrical & ENTC Engineering students

Respected Sir,

With reference to the subject cited above, we are willing to conduct a two hours webinar on Future in Electronics as an Entrepreneurship "for Electrical & ENTC Engineering in your esteem institute. We assure that students will get practical knowledge will be needful in Industry. Please give confirmation for the same.

Hoping for communication at the earliest.

Thanking You

Yours faithfully

Sanjay Chaudhari

India's aims at developing entrepreneurs as industries through engineering

For Industrial applications, Electrical /Electronics/ Instrumentation/ Biomedical Engineer must have detailed knowledge along with practical skill on electric & electronics components

Practically-Oriented Webinar for SE, TE Electrical & ENTC Students

To Minimize the Gap between Education and Industry

Topic- Future in Electronics as an Entrepreneurship"

Effective use of DMM – Concept behind Testing, functions and utility of DMM, selection of proper range for known and unknown quantity, significance of open and short circuit, measurement of resistance, ac & dc Voltage measurement, continuity test to check 0 ohm, switches, conductor, relay, PCB track, wiring etc.

Electric components testing – Range selection for Resistor, Switches, and Capacitor

Electronic components testing – Forward bias, Reverse bias, Short- selection of range, Identification Physically & confirmation according to internal construction using DMM, Testing procedure, Std. reading for working condition of component, Possible fault with respective readings, functions, application, Rating, availability, price range Rs. Safe limit to use, How to increase the ratings of component by using multiple components.
Components- Resistor, Diode, Transistor, MOSFET, IGBT. Etc.

Regarding Webinar & trainings conducted by Electronics Study Centre

Nasik Inbox

Sanjay Chaudhari 7/19/2021
to me

Good Evening sir,
We Electronics Study Centre Nasik works in the field of skill development training on core Electrical & Electronics for Electrical & ENTC branch from 2013.
Objectives:- To develop skillful Electrical & Electronics engineers.
Vision:- To develop Electrical & ENTC engineers as a professional.
To design and develop a product by themselves and use it in professional front.
Mission:- To develop Engineering students as entrepreneurs.

We conduct seminars, Workshops at college campus in academic, webinars, Online Internship trainings, Virtual Industry tour, Residential Internship training at Nasik in vacation, Industrial training for Electrical, ENTC, Instrumentation, Mechanical engineering students.
With regards
Yours faithfully
